Brighton Center
Here there are only Abilities.

About Brighton Center

Brighton is the largest non-profit providing direct services to children with disabilities and developmental delays in San Antonio.

For more than 50 years, Brighton has been the cornerstone of early intervention services for children with disabilities in San Antonio.

Through therapy, specialized skills training, early childhood education, parent workshops and education advocacy, Brighton has the perfect combination of the right services at the right time to give children every opportunity they need to reach their full potential now and in the future.
