

## For Family Team Captain – Thank You Letter to Team

Dear <name>,

You raised money, you walked, and you did <Team Name> proud! We had a great time at Brighton's iWalk, and I can't wait to show you all the pictures. I've already included my favorite team shot in this letter.

I'm happy to say we reached our goal! Together, we've raised \$<amount> to help the Brighton Center and to show our support for ALL children with a disability or a delay! I'm proud of each and every one of you and your commitment to believing in these incredible children. I hope I can count on you again, for <Name of person walking in celebration/honor/memory of> next year!

Thank you so much!

<Name>
